SUMMER INTENSIVE

summer 2020

Procedures

Staff Safety and Protocol

- Staff will perform temperature checks, have training on proper protective and safety procedures, facilitate hand washing and hand sanitizer throughout the day, and clean and sanitize equipment between uses.
- Employees will enter after screening and will report 5 minutes before classes. If arrival is earlier, they must stay inside of their cars until report time.

Dropoff

- “Stagger arrival and drop-off times or locations by cohort (group) or put in place other protocols to limit contact between cohorts and with other campers’ guardians as much as possible.” (CDC.gov)
- *“Parents should remain in their vehicles for drop-off and pickup to minimize contact, and the city is requesting that parents limit the amount of personal items brought to children’s summer camps.”* : Parents dropping off and picking up campers must remain in their vehicles.
- Upon arrival, students will create a socially distanced line outside of the facility to be allowed entry. Only 3-4 students will be allowed in line at one period of time. A staff member will be outside to maintain the order of the students upon arrival.
- Upon entry the student will be serviced with a hands-free temperature check. No one with fever, cough, other symptoms will be allowed to enter. If their temperature is healthy and the student does not meet any other COVID-19 symptoms, they will be provided with hand sanitizer and directed to the next checkpoint to put down their belongings before entering the studio.
- If a student appears to have a temperature of 100.4°F or above and/or have symptoms and their parent has already left the studio, the parent will be contacted and the student will be placed in a room in solidarity to await the parent’s arrival for pickup.
- Upon arrival at the next checkpoint, the students will wait to be admitted into the respective studio and will place their belongings in a designated spot before reporting directly to their respective studio for class.

SUMMER INTENSIVE

summer 2020

Procedures

Social Distancing for Students according to State of Georgia guidelines

- *“encouraging regular handwashing and hygiene”*: Signage will be posted throughout the studio and will be communicated to students to thoroughly clean bathroom touch spots (including but not limited to toilet, (especially flush handle), handicap bar, bathroom door lock, bathroom door handle, and sink) as well as thoroughly washing hands for at least 20 seconds.
- *“keeping students separated to minimize exposure”*: All students will be encouraged to maintain a 6 feet apart distance from other students as much as possible. We will also maintain distance between personal belongings as well as cleaning items upon arrival and departure.
- *“Extensive cleaning and sanitizing of summer camp facilities will also take place, and there will be sanitizing stations through parks and facilities for proper use.”*: All bathrooms will be cleaned regularly and thoroughly before, during, and after occupancy of students. Only one student will be permitted at a time in the bathroom. The door will be closed to signify occupancy. No one may enter until the occupant is gone.
- *“If possible, require day campers to bring their own lunch and snacks in sealed, labeled bags”*: No food will be allowed inside of the studio. Only personal water bottles will be allowed. Our vending machines and water fountain will be taped off from use by any attendee.

Alternative Attendance Measures

- If a student shows signs of a fever, cough, or other COVID-19 symptoms or the parent has requested virtual attendance, we will provide a Zoom link in which the student may log on and take the class virtually. We will provide more details as we get closer to the event.

SUMMER INTENSIVE

summer 2020

In-Class Procedures

- Students are welcome to either keep mask on or take it off during class
- Students are only allowed to speak if you have a question for teacher
- Students will stay in their designated box, unless directed by the teacher
- All students will stay 6ft apart throughout class
- Students can not leave studio unless given permission by teacher
- All students will help sanitizing by using hand sanitizer before entering studio
- All students will have feet covered when entering dance studio.

Student Things To Know

- This intensive will last for the week of July 13th - 17th for 5:00-6:30 pm.
- All students must be dressed in proper dance attire. Tights are required for the ballet classes, but they can be replaced for other classes with proper dance shorts or leggings.
- Students are not allowed to leave the studio for any reason. We will not allow students to purchase lunches from neighboring businesses.
- All students should leave their games and computer gadgets at home since such items are often misplaced or broken. Dancemakers of Atlanta will not be responsible for replacing broken or lost items.
- Students should bring shoes required for their classes according to the schedule. At this time, we ask no students to wear bare feet in the studio. Dancers are welcome to wear ballet shoes, jazz shoes, or socks as an alternative.

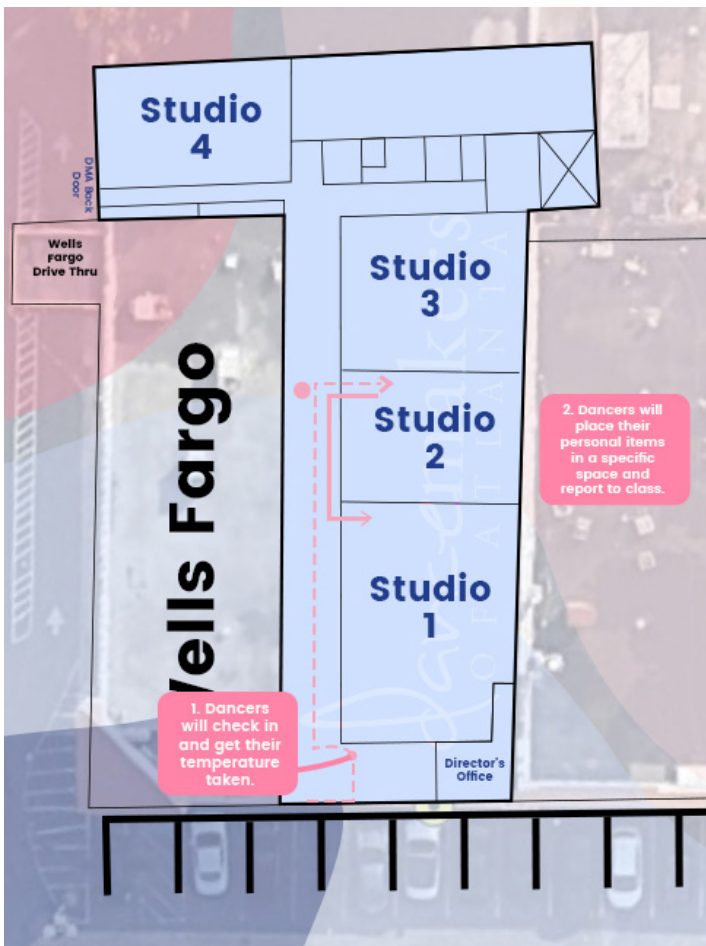

In the case a teacher notices a student is sick, the teacher should:

- Guide student to leave the dance studio and place in the boys dressing room
- Do not touch student
- Inform directors and be prepared to answer questions, i.e what did you see, did sick student get come in contact wit any other student, etc.
- Wash hands, sanitize and return to class. The directors will take things over and will let you know to either continue class or stop class.

Drop-off and Pickup Routes

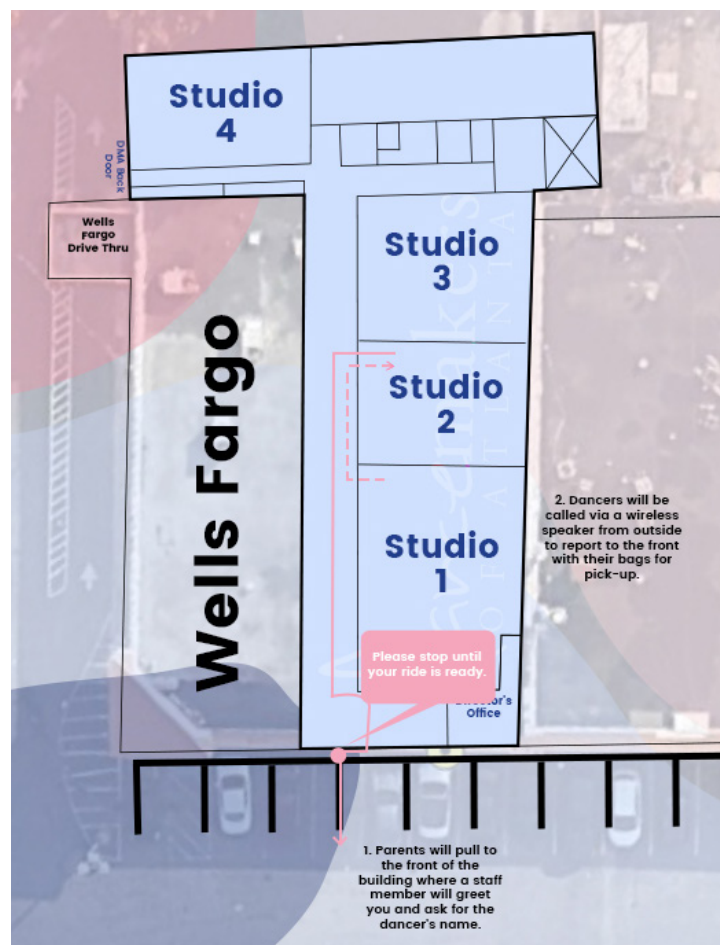

Dropoff

- Parents dropping off and picking up campers must remain in their vehicles.
- Upon arrival, students will create a socially distanced line outside of the facility to be allowed entry. Only 3-4 students will be allowed in line at one period of time. A staff member will be outside to maintain the order of the students upon arrival.
- Upon entry the student will be serviced with a hands-free temperature check. No one with fever, cough, other symptoms will be allowed to enter. If their temperature is healthy and the student does not meet any other COVID-19 symptoms, they will be provided with hand sanitizer and directed to the next checkpoint to put down their belongings before entering the studio.
- Upon arrival at the next checkpoint, the students will wait to be admitted into the respective studio and will place their belongings in a designated spot before reporting directly to their respective studio for class.

Pickup

- All students will remain in the classroom when it is time for pickup. We will have designated marks or cones in the parking lot for the parent to stop. An employee will come to the car and ask for the student's name. We will then notify an employee inside to send the student to get their bags and report promptly outside for pickup.
- We expect parents to arrive promptly for pickup when then classes are dismissed. Please arrive a minimum of 5-10 minutes earlier than your dancer's class dismissal.
- For our students that provide their own transportation, we will dismiss them 1-2 people at a time to minimize crowding in the lobby. All other procedures will apply to them upon departure each day.

Stop the spread of germs that can make you and others sick!

Wash your
hands often

Wear a cloth
face cover

Cover your coughs
and sneezes

Keep **6 feet** of space
between you and
your friends

Additional Resources

What to Do If You Are Sick (CDC): <https://www.cdc.gov/coronavirus/2019-ncov/if-you-are-sick/steps-when-sick.html#discontinue-isolation>

At-Risk for COVID-19 (according to the CDC.gov)

Based on what we know now, those at high-risk for severe illness from COVID-19 are:

People 65 years and older

People who live in a nursing home or long-term care facility

People of all ages with underlying medical conditions, particularly if not well controlled, including:

- People with chronic lung disease or moderate to severe asthma
- People who have serious heart conditions
- People who are immunocompromised
- Many conditions can cause a person to be immunocompromised, including cancer treatment, smoking, bone marrow or organ transplantation, immune deficiencies, poorly controlled HIV or AIDS, and prolonged use of corticosteroids and other immune weakening medications
- People with severe obesity (body mass index [BMI] of 40 or higher)
- People with diabetes
- People with chronic kidney disease undergoing dialysis
- People with liver disease

Schedule

4 & 5 Year Old | July 13-17
